It's no secret that people in the Mediterranean live longer, with many claiming it to be the incredibly healthy diet, while others argue that it's the peaceful way of life. Whether you're a fan of healthy eating, culinary arts using the freshest ingredients, holistic therapies, or even the tantalising taste of olive oil fresh from a local vineyard; this is the tour for you.

SAT | ARRIVAL

Once you land, we'll pick you up from the airport and transport you back to your home for the next week. Within an hour we'll arrive at your Masseria, where you can unpack, unwind and get to know your fellow guests (as well as your hosts!). We've scheduled welcome drinks and dinner to begin your immersion into the Puglian lifestyle.

SUN | OSTUNI & OLIVE OIL FARM & TASTING

For fans of Yoga, you'll get to choose whether or not to partake in this early morning activity. After a leisurely breakfast, your first outdoor adventure will begin with a visit to the nearby city of Ostuni, known as one of the oldest parts of Puglia and instantly recognisable from land and sea. With a 1 o'clock lunch on the menu, you'll be able to savour the flavours of local cuisine. After a traditional lunch, in the afternoon, we'll be taking you to a family-run vineyard where you will get to enjoy a spot of olive oil tasting to tantalise your taste buds, as well as introduce your body to the healthiest oil in the world. To complete your first full day with us, you'll get to enjoy a traditional dinner in the local town of Cisternino, where you can have fun, enjoy conversations and get to know the Puglian way of life in even greater detail.

MON | POLIGNANO A MARE & COOKING EXPERIENCE

Upon arrival you'll get to enjoy a truly traditional cooking experience with a professional chef, which will then be followed by lunch (time to partake of the delightful cuisine you just created!)

With so much to see and do in Polignano, you'll get to spend the afternoon exploring the town to your heart's content. As the evening draws in, we'll return you to your Masseria where you can enjoy a light dinner, have a swim

TUE | CHEESE TASTING & MANDURIA

With another exciting day on the agenda, you'll have the option to begin again with a Yoga session. We'll then take you to Casefici where you will get to see how Mozzarella is made, as well as try some of the delicious cheese. Today we'll be eating lunch in Manduria, the wine growing area of Puglia. Here we will visit a traditional winery, where we will have a tasting accompanied with lunch.

After lunch we'll head back to your Masseria where you can relax, settle back in, or prepare for dinner this

evening. For dinner, we have an exciting meal planned at a local Trattoria.

WED | LECCE & COOKING EXPERIENCE

Your professional instructor will return for another invigorating Yoga class to start the day off well.

With Lecce on the agenda for the day, you'll be transported to a fabled city that is well-known for baroque architecture and captivating sights. Before getting to know the town you'll have an exhilarating cooking lesson to take part in, followed by a tantalising lunch.

We'll be visiting two beautiful towns today; the first is Alberobello, the town of Trulli. Once we arrive you'll have some free time to check out what the inside of the Trulli look like, with the option of visiting the local market to check out the sellers' wares, or enjoy the ambience.
